

Website Privacy & Security

WMLMC takes privacy issues seriously. We are disclosing our information gathering procedures and security measures here to answer any concerns that you may have. As always, if you have any questions about them, you are encouraged to e-mail the contact us.

Personal Information:

Throughout this website, WMLMC may ask for personal information in order to provide you with certain services such as online surveys. In no case will we share this information with anyone outside of the WMLMC network unless you explicitly tell us to do so. The only exception to this is when it is implied as part of a purchase or registration process. These instances include authorizing us to charge your credit card for a purchase or asking us to reserve a hotel room for you when you make a purchase online or register for a meeting. By completing an online registration or order form at our website, you are giving us permission to collect that personal information about you and send it to the necessary third party. In addition, WMLMC may use data collected when you browse our site internally to improve our services. Use of this website implies permission to use your personal data for this purpose.

Anti-Spam Policy:

WMLMC protects your privacy by extending this policy to 3rd parties. We do not provide e-mail lists to outside entities. In these ways, we firmly reinforce our stance against "spam." If you receive a 3rd party e-mail appearing to represent itself as having come from or been endorsed by WMLMC, please contact us.

If other instances occur where we would deem it necessary to share your e-mail or other personal information, we would first tell you of our need to do so and give you the opportunity to decline prior to disclosing the information.

Cookies:

The WMLMC website requires the use of "cookies". Cookies are small text files that may contain personal information about you and are saved to your hard disk drive.

Some are concerned about cookies and would prefer that they not be saved on their hard drives. If you do not want to use cookies, you may turn them off in the configuration page of your web browser. In doing so, however, please be advised that you may either be prompted for a password each time you access a private area or that you may be unable to access all of the features on our website.

Questions:

This statement will be revised from time to time. If at any time you would like to review, change or eliminate any personal information you have provided to us online, or if you have any questions about online privacy please contact us.
