

Website Accessibility

WMLMC is dedicated to supporting all its users' needs. However you may experience minor problems when trying to access this website using third party software and unsupported browsers. While we strive to develop media that supports the widest range of third party software and browsers bugs do accrue. We're in a constant process of improving this site in this regard. In the meantime, please check this page frequently for the latest information and improvements on how to best access our website. We recommend the following settings for best performance.

Internet Supported Browsers:

This website has been designed to be viewable using Internet Explorer® as the primary browser. Although its operation will operate over multiple browser environments, some rendering effects and the design layout may not be displayed as intended. We highly recommend using Internet Explorer® for viewing this site. WMLMC supports the following browsers.

Microsoft Internet Explorer 5.0 or higher

Netscape 6.0 or higher

Mozilla Firefox 1.0 or higher

Screen resolution:

This site was designed to be viewable using a 800x600 resolution, however we recommend using a resolution of 1024x768 for best visual appearance.

Minimum - 800x600

Recommended - 1024x768

Plug-ins needed to access the full content of this site:

This website requires certain plug-ins to operate correctly. We highly recommend downloading these plug-ins from the supported links. If you require a plug-in from the list below simple click on the name and you will be redirected to the download page.

The Latest Macromedia Flash Player

The Latest Adobe Acrobat Reader

Connection Requirements:

Every effort has been taken to optimize this website for 56k dial up users without sacrificing visual content and quality. Although it is possible to view this site using a 56k connection we recommend using a minimum connection of 1.5mbs broadband or DSL.

Minimum - 56k Dialup

Recommended - 1.5mbs Broadband or DSL

Need Further Assistance:

If you need further assistance please contact us, and we'll make every effort to help you to access this site in its entirety.
